

**Attention Cooks, Bakers and Anyone
who would like to Bless Families
that have New Babies!**

We would like to start a new ministry called Families Are Forever! We want to bless families that have a new baby with meals for the first few days after they arrive home. We will need the parishes help to make this ministry happen. We already have a freezer that the parish uses for the home-bound and there is room for larger portions to be given to the families with new babies on the two bottom shelves of the freezer.

We need people who like to cook or bake to bring meals and baked items to the freezer in St. Francis Hall. Please mark your food items with the date that it was made and the name of the item on top (chocolate chip cookies with nuts, beef stew, lasagna, etc.)

If you are not a baker or cook but would still like to help, we could use gift cards for pizza, fast-food sandwich places or any restaurant of your choosing. We will also have a sign up sheet for those who would be willing to deliver meals to the families.

Registered members of CTK who are about to be new parents should call the office to let us know that you are expecting a baby and your due date.

FAMILIES ARE FOREVER
