What is the Transitus ?

A devotion familiar to Franciscans which has survived the test of the last three decades is the Transitus. Each year on the third of October, we ritually remember the passing of Francis of Assisi from this life into God.

In fact the Transitus has become a significant and even a necessary annual event.

To ritually revisit the story of Francis' passing is vital; without it something significant is missing.

It intensifies our commitment to follow Christ in the way of the poor man of Assisi.
